

LIVINGNATURE NOURISHING AND CREAM 100ML • £12.75

This nourishing hand cream draws on the curative and restorative powers of active manuka honey to hydrate and nourish the hands, as well as larch tree extract. It is rapidly absorbed into the skin to help repair chaffed, chapped hands, and provides any extra protection needed.

SIMPLY BEAUTIFUL SAY:

A nurturing hand cream, presented in a rather attractive bottle. It has a really smooth texture and after application, settled into my skin very nicely. It has quite a strong scent, which fades leaving a pleasant after-smell. Two hours after application and my hands are still feeling very soft and comfortably moisturised.

BURTS BEES BANANA AND CREAM 57G • £9.99

This super rich all-natural hand cream is made with aloe vera and vitamin E to moisturise dry skin, and beeswax to help seal and shield your hands from the elements. The sweet smell of banana reminds you to feed your skin with nourishing care.

SIMPLY BEAUTIFUL SAY:

This yummy hand cream comes in a glass jar with a screw lid. It has a distinctive banana scent and is a light, white cream. When rubbed into the hands, it is dissolved quickly and soon smoothed the dry areas on my hands. It has left my hands feeling nourished and smelling rather banana-ery!

WELEDAS SEA BUCKTHORN AND CREAM 50ML • £6.95

Weleda have been using Sea Buckthorn since the 1950s in its organic Elixir, and their hand cream offers replenishing intensive care for rough, dry hands, to keep skin satin smooth. It penetrates quickly without leaving an oily layer and is perfect after gardening.

SIMPLY BEAUTIFUL SAY:

This hand lotion has a lovely, pleasant citrusy smell and is quite a light cream that sinks into your skin nicely. It leaves your hands feeling well moisturised and smooth as it sinks in so quickly. I'm trying to find a fault with this one, but there isn't one! All in all, this is a great product that I would highly recommend.

GREENPEOPLE ORGANIC BASE NO SCENT HAND & BODY LOTION 200ML • £15.95

Keep dry and sensitive skin protected with this nourishing, non-greasy lotion which is rich in moisture binding omega-6 essential fatty acid. Organic aloe vera and oils from avocado, olive and hemp, nurture and restore the moisture in skin. Made without essential oils, this unscented moisturiser is suitable for the most sensitive of skin.

SIMPLY BEAUTIFUL SAY:

The No Scent Hand and Body Lotion comes in a surprisingly large bottle, which will last for some time, so the price tag of £15.95, offers good value for money. It is scent free and a small amount covers my hands sufficiently. It settles into my skin nicely, leaving it feeling wonderfully moisturised, feeling soft and not too greasy.

SUVARNA 100% ORGANIC COMFREY AND LAVENDER HAND CREAM 60ML • £7.69

Shea butter and organic oil provide deep hydration, while comfrey, calendula and lavender provide healing properties for dry and chapped skin. This cream can be used on other parts of the body that need healing or moisturising and soaks in after 5 minutes.

SIMPLY BEAUTIFUL SAY:

The Suvarna hand cream is quite solid in the jar, and feels a little bit grainy when you first take it out, but melts when it comes into contact with the skin and spreads easily. It absorbs quite quickly and is a bit greasy, but as this is an intensive hand cream I would expect there to be some residue. It smells of lavender and is lovely and relaxing and left my hands feeling soft and nourished!
